## SECTION 1: SOFTWARE LICENSE (Open Source – Non-Commercial Use Only)

This section applies to **Annin Robotics software**, including source code, firmware, and control applications.

### 1.1 License Grant

Permission is hereby granted, free of charge, to any person obtaining a copy of this software and associated documentation files (the "Software"), to use, copy, and redistribute it in source and binary forms, with or without modification, **for non-commercial purposes only**, subject to the following conditions:

### 1.2 Conditions

- **Attribution:** Redistributions must retain the above copyright notice, this list of conditions, and the following disclaimer.
- **Free Distribution:** Redistribution in source or binary form must be free of charge.

- **Credit:** You must provide appropriate credit and indicate if changes were made. This must be done in a reasonable manner but not in any way that suggests endorsement by Chris Annin or Annin Robotics.
- **Prohibited Use: Commercial sale, licensing, or monetization** of the Software or derivative works thereof is **strictly prohibited** without prior written consent.

### 1.3 Disclaimer of Warranty and Liability

The Software is provided “AS IS”, without warranty of any kind, express or implied, including but not limited to the warranties of merchantability, fitness for a particular purpose, and noninfringement. In no event shall Chris Annin be liable for any claim, damages, or other liability, whether in an action of contract, tort, or otherwise, arising from the use of the Software.

---

## SECTION 2: HARDWARE, DESIGN FILES, AND CAD MODELS LICENSE

This section applies to all **Annin Robotics mechanical designs**, robot parts, 3D models, CAD files, and print files.

### 2.1 Permitted Use

These materials are provided strictly for **educational, research, and personal non-commercial use**.

### 2.2 Restrictions

- **No Redistribution:** Redistribution, republishing, or hosting of the design files or physical components in any form is strictly prohibited.
- **No Rebranding:** Any use of Annin Robotics designs must retain all original branding, logos, and names. Rebranding or removal of trademarks is prohibited.
- **No Commercial Use:** Selling robots, robot parts, kits, derivatives, or modified versions of these designs is strictly prohibited without explicit written permission.

If you wish to incorporate Annin Robotics designs or software into a commercial product or service (e.g., a larger automated system), please contact [info@anninrobotics.com](mailto:info@anninrobotics.com) to discuss a separate commercial license.

---

### SECTION 3: TRADEMARK USAGE

Use of the "Annin Robotics" name or associated trademarks is restricted. You may not use the name, logo, or other identifying marks for promotional or commercial purposes without prior authorization.

---

### SECTION 4: CONTACT & COMMERCIAL LICENSING
